

Self-Direction Program OPWDD Fire Safety

On-Line Training Instructions

The New York State Office for People with Developmental Disabilities (OPWDD) and the Division of Homeland Security and Emergency Services Office of Fire Prevention and Control (OFPC) have partnered to develop a Fire Safety Annual Review for those who have already viewed the Three Fire Safety Modules. This is an annual requirement for anyone working with a participant in the OPWDD Self-Direction program.

Required: Annually
